Thanks for the information Ivan. Just so you know, it is going to be really tight to get the grant through review and awarded by October 1<sup>st</sup>. Let's firmly hold to the 8/22 submittal date .

Hope you are doing well.

Alan

1. Will request an update on our Web site.
2. Will send an announcement to OWEB and ODA for WSC's and SWCD's
3. We are still planning to submit our recommended work plans for 2016 to EPA by August 22<sup>nd</sup>. Which means that I need the work plan recommendations, including our HSPIG's input from each of our regions by 8/17<sup>th</sup> . I recommend it as follows:
  - a. RFP deadline: 8/1

- b. Regional/SW review of project proposals: 8/3-8/12
- c. Recommendations to HSPIG: 8/15-16
- d. Final recommendation to be presented to EPA: 8/22

Any comments/suggestions?

Thank you
